ORDER

Adopted: February 1,2000

Released: February 3,2000

By the Commission:

1. The Commission has under consideration the above-captioned requests for review of decisions issued by the Schools and Libraries Division of the Universal Service Administrative Company (Administrator). These requests seek review of the Administrator's denial of applicant requests to change service providers under the universal service support mechanism for schools and libraries.¹

2. The Commission's rules generally provide that the Commission must issue a written decision in response to a request for review of an Administrator decision that involves

¹ Section 54.719(c) of the Commission's rules provides that any person aggrieved by an action taken by a division of the Administrator may seek review from the Commission. 47 C.F.R. § 54.719(c).

novel questions of fact, law, or policy within ninety days unless the time period is extended.' If the request for review does not involve novel questions of fact, law, or policy, the Commission's rules provide that the Common Carrier Bureau (Bureau) should consider the request for review and the Administrator's decision will be deemed approved unless the Bureau issues a decision within ninety days or extends the time period for considering the request for review.³ Due to the complexity of the issues raised in the above-captioned requests for review, the Commission and the Bureau require additional time to review the issues presented.

3. Accordingly, we extend by sixty days the deadline by which the Commission or the Bureau must take action regarding the above-captioned requests for review of decisions by the Schools and Libraries Division.

4. Accordingly, IT IS ORDERED, pursuant to section **54.724** of the Commission's rules, 47 C.F.R. § 54.724, that the time period for taking action in the above-captioned requests for review of decisions by the Schools and Libraries Division IS EXTENDED BY sixty days from the original ninety-day deadline.
